

The Arc OF STARK COUNTY

*Presents our
44th Annual Awareness Dinner
Featuring
Chris Burke with Joe & John DeMasi
Thursday, March 25, 2010
McKinley Grand Hotel*

Every year during March, Developmental Disabilities Awareness Month, The Arc of Stark County holds our Awareness Dinner. Designed to promote the abilities of the individuals the Arc serves to the general public, and to increase knowledge of the programs offered by the organization, the Arc welcomes a speaker with a motivational message who will attract attendees that are new to the developmental disabilities community.

This year the Arc is proud to welcome back Chris Burke. Chris is an accomplished actor with Down Syndrome, who starred in the television show "Life Goes On". He also has a recurring role on the CBS-TV show "Touched By An Angel". Chris joined us over ten years ago for this event and has committed to come back. But this time he's not alone. And he's not just going to speak. Joe and John DeMasi will also be in attendance with Chris. They have formed a band and recorded an album. Together they will be performing some of their songs at the Awareness Dinner!

Help support a great organization, while promoting your organization by sponsoring this exciting event!
